

About Us:

The Liverpool Merchants' Guild supports people who do not have the resources to pay for the basic things in everyday life. We do this through one-off grants to you to maintain your independence (e.g. equipment or home adaptations) and/or payments to support you cope more easily with daily living expenses. We are a registered charity that administers a fund built up to make regular payments and grants to people of limited means.

The Charity was established by the will of the late Catherine Wright in 1868 as 'Wright's Institution' and was incorporated along with all its subsidiary funds by Royal Charter in 1914 as The Liverpool Merchants' Guild. One of its objects was to grant pensions to persons who had been unable to make adequate provision for their declining years.

In 2006 a revised Royal Charter was granted to reflect the change in the structure of society and administrative procedures that had taken place since the original Charter – see our website for details.

Today, Liverpool Merchants' Guild supports approximately 300 individuals, assessed as being in financial hardship, through regular payments of varying amounts ranging from £100 to £6,000 per annum.

How We Help:

You, or someone you know, could be eligible for a one-off grant to maintain independence or regular payments to help you to cope more easily with the cost of living and day-to-day expenses.

We help people aged 50 and over who live (or have lived) in the Merseyside area, who are in financial hardship and who have worked in a professional or self-employed capacity, or in a supervisory, clerical or non-manual role.

We can provide financial support to eligible applicants in two ways:

You may be eligible to receive up to £6000 per annum in regular half yearly payments to help with day to day living expenses, or a grant of up to £6,000 to pay for items to improve your living conditions.

<p>➤ Through a regular payment</p> <p>This can be up to a maximum of £6,000 per annum made to you in two half-yearly instalments (i.e. paid half yearly in advance). These are designed to help bring your income up to a pre determined level set by the Trustees and the regular payment awarded aims to bring you up to that level.</p> <p>These are usually made on an on-going basis, subject to a review every 2 years, or when there are changes in your circumstances. As the payment is a charitable gift and paid at the discretion of the Board of Management, it is treated as non-taxable by HMRC.</p>	<p>➤ Through a one-off grant</p> <p>This can be to a maximum value of £6,000. We award grants to support the purchase of personal mobility/technology aids and/or necessary adaptations – to enable you to stay safe and well in your home.</p> <p>Examples of grants funded include bathroom/WC conversions to enable access, purchase of stair-lifts, insulation/energy saving work; purchase of white goods such as fridges, washing machines and cookers.</p>

Each of these is classed as a charitable gift to you as an individual and does not affect your welfare benefit eligibility/claims.
